# Peace in Practice

## For Practitioners and Health Professionals

Facilitated by Petrea King and Wendie Batho, Peace in Practice focuses on the health and wellbeing of the practitioner as well as increasing their skill, knowledge and the foundation principles upon which they work, whether in a hospital, clinic or other environment.

**During this life-enhancing training, participants will;**

- Explore the 4Cs as a basis for understanding their work
- Share experiences in a safe environment
- Experience support from a community of peers
- Deepen their understanding about how service is a way of life
- Understand that who you are is as important to your clients as what you know and do
- Develop greater comfort in talking about challenging issues
- Become more comfortable with silence
- Discover how to achieve more in less time
- Learn great communication tools for difficult circumstances
